How did you learn about the program? _____

The customer at the address above is interested in reducing water use on his/her property and requests assistance from the City of West Sacramento (City) in doing so. It is the customer's option to implement part or all of the recommendations. At no point will a City employee or representative install, repair or adjust devices on the property.

The undersigned customer gives the City's employees and representatives permission to enter and to be on the customer's property for the purpose of conducting a Water Wise House Call. It is acknowledged that the garage may be accessed but that no other part of the home will be entered. The customer agrees to the Terms and Conditions.

Customers shall indemnify, defend, and hold harmless the City, its officers, officials, agents, and employees against all claims, damages, demands, liability, costs, losses and expenses, including without limitation court costs and reasonable attorneys' fees, arising from City's negligent acts or negligent failure to act, errors, omissions or willful misconduct incident to the performance of this Contract except such loss or damage caused by the active negligence, sole negligence, or willful misconduct of the City. The provisions of this paragraph shall survive termination or suspension of this Contract.
